Dear HOSA Advisor,

I'm very excited to provide Georgia HOSA with travel arrangements to this year's ILC in Orlando Florida. My company Unified Event Solutions has been serving National HOSA in a variety of capacities for the last 5 years. Prior to starting the company I have worked with National HOSA, planning and organizing their transportation to the conference for the past 20 years. Serving the HOSA community has been my life-long passion.

Lynda Durant, your State Advisor has asked me to put together a travel package for you, your student members, chaperones, family and friends attending the ILC in Orlando, Florida on June 19-22. The travel dates are June 18-23, 2019.

Travel arrangements have been made with Leisure Time Bus Company. We have chartered their motor coaches to depart from North Atlanta on June 18 and pick up chapters along the way to Orlando. If we get enough passengers, we have an additional coach on hold with a bus company in Augusta Georgia. If you would prefer to drive to Orlando, but still want to be part of the Hotel & Disney package, we have a package for you that doesn't include the motor coach cost.

To help keep everyone's costs down, we can room your students and advisors with other chapters, in order to get the desired rate. If you would like us to find you another school to room with, please notify us by April 1st so that we have time to group you together. Our ability to group you with another school is not guaranteed.

1.) We want to get the GA HOSA room list in as quickly as possible. Please email your tentative attendees names and rooming list to me ASAP. A \$200 per person non-refundable deposit by check is due April 15 and the final payment must be postmarked, no later than May 5, 2019. Late Final payments will have a \$50 late fee per person assessed, as we have payments due for motor coaches and hotels. If you want to pay by credit card, there will be a 4% charge assessed.

2.) The ILC registration fee of \$90 is not included in the travel package.

We look forward to escorting your group, and having another amazing ILC! Please email me with any questions you may have jonathan@unified-es.com or call at 512-387-0535.

Sincerely,

Jonathan Park
